**FOR IMMEDIATE RELEASE**

**CyberMetrics unveils new “Gold+ Maintenance & Support” plan  
for GAGetrak and SUPPLIERtrak.**

**SCOTTSDALE, Arizona – March 23, 2006**

CyberMetrics Corporation, a leading provider of calibration management software, supplier quality management software, and quality solutions, will now offer a Gold+ Maintenance & Support plan to our customer base of over 10,000 companies and thousands more installed locations. The Gold+ Maintenance & Support plan provides professional, technical support for two years, as well as one free version upgrade per user of GAGetrak, Calibration Management Software, and SUPPLIERtrak, Supplier Quality Management Software.

The Gold+ Maintenance & Support plan addresses customer needs to keep current with new software versions of CyberMetrics’ GAGetrak and SUPPLIERtrak products, as well as to provide extended-term maintenance and support.

Gold+ Maintenance & Support is available to all of CyberMetrics’ GAGetrak and SUPPLIERtrak customers who own the most current version of these products. For more information regarding available CyberMetrics’ software maintenance and support options, please contact our sales department at 1-800-777-7020.
