

Calibration & Maintenance Label Kits

for use with GAGetrak® and FaciliWorks®

FREE

With purchase of at least 30 HG label tapes
until May 31, 2012

Brother® PT-9700PC and PT-9800PCN Thermal Transfer Printers for Harsh Environment, Laminated Labels

Print professional-looking, highly durable, laminated calibration and maintenance labels for all of your gages and equipment with the **GAGetrak Calibration Label Kit** or the **FaciliWorks Maintenance Label Kit**. Each label kit comes with a small-footprint Brother® printer (4.6" (W) x 7.6" (D) x 5.5" (H)), cables, design software and everything else you'll need to get started. These kits are for use with GAGetrak Calibration Management Software and FaciliWorks CMMS/EAM Software, but can also be used as stand-alone label printing systems.

The powerful Brother P-touch® Editor label design software is included with each printer to help you design and print customized, on-demand labels for just about any application. You can create labels with text, graphics and your choice of 15 industry-standard bar codes.

The Brother PT-9700PC and PT-9800PCN Desktop Barcode and Label Printers use self-contained Genuine Brother P-touch media cassettes to print the label and apply the lamination in a single process. The thermal transfer technology provides a crisp, high-quality output, while the simultaneous printing and lamination process produces durable, protected labels that are resistant to moisture, temperature extremes, industrial chemicals, UV and abrasion. The media is available in a wide variety of colors and sizes, with different adhesives and performance characteristics.

Large label print jobs can be distributed among multiple printers simultaneously via the USB and Ethernet (PT-9800PCN) interfaces. The number of labels to be printed will be automatically divided among the selected printers, reducing the total printing time and overall throughput.

Harsh Environment Applications:

Manufacturing / Warehouse:

- Asset management and calibration labels
- Product and bin labels
- Work-in-process labels

Telecom / Datacom:

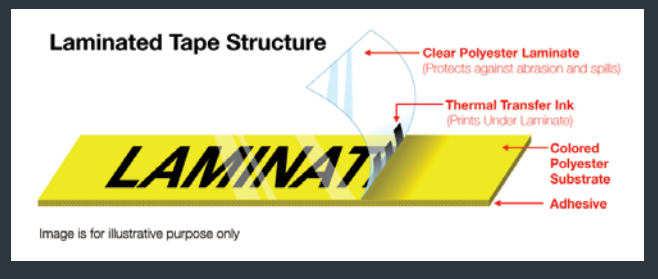

- Cable and wire markers
- Patch panels
- Asset management

Healthcare:

- Specimen labels
- Test tube and slide labels
- Autoclave / Sterilization tray labels

Retail:

- Freezer labels
- Shelf labels
- Small signage

Why HG Tapes?

HG tape is a high-grade media that provides high resolution (up to 360 x 720 dpi) printing for fine text, graphics, bar codes and logos, or a faster throughput (up to 3.15ips) for assembly line and other demanding applications.

Purchase 30 or more HG tapes and get the PT-9700PC label kit for free or purchase 50 or more HG tapes and get the PT-9800PCN label kit for free.* This special offer has been extended only until May 31, 2012, so place your order today using the form on the following pages.

Free P-touch® Offer

*HG Tape Promotion Terms and Conditions

- 1. Order your label tapes from CyberMetrics.** Complete this two-page form to purchase at least thirty (30) HG tapes (six 5-packs) in one purchase to receive a free PT-9700PC label printer or fifty (50) HG tapes (ten 5-packs) in one purchase to receive a free PT-9800PCN label printer. Purchase must be made between 1/1/12 and 5/31/12; purchases made outside of this date range are not eligible.

Fax or email this two-page form to CyberMetrics to order your tapes: **480-922-7400** or **sales@cybermetrics.com**. Upon receipt of payment or purchase order, we will supply proof of purchase (invoice).
- 2. Submit your claim to Brother.** Fax or email this two-page form and your proof of purchase from CyberMetrics (collectively 'Claim') to Brother at **908-243-2181** or **FreePT9700@brother.com**. Your claim must be postmarked no later than 6/15/12 and received by 6/30/12. Please allow 4 to 6 weeks to process.
3. This form must be signed in order to be valid.
4. If you have not received your claim after 8 weeks, you may call Brother at 1-800-541-6144.
5. Any misrepresentations or fraudulent information disqualifies the claim.
6. Offer is not valid in conjunction with any other Brother Mobile Solutions offer.
7. Brother Mobile Solutions distributors, resellers and their employees and internal Brother Mobile Solutions orders are ineligible.
8. Only purchases by an end-user from an authorized Brother Mobile Solutions reseller (CyberMetrics) in the 50 US states, the District of Columbia or Puerto Rico are valid. Offer void where prohibited or restricted by Federal, State, Provincial or local law.
9. Any submission with invalid or undeliverable address will be rejected.
10. Neither Brother Mobile Solutions nor CyberMetrics is responsible for claims lost, stolen, damaged, illegible, misdirected or delayed in the mail. Please keep copies of all material submitted. No claims against "lost" materials will be evaluated unless accompanied by proof of receipt of original claim by Brother.
11. Brother Mobile Solutions reserves the right to request additional information regarding this claim and the right to confirm identification. All documentation submitted with this claim becomes the property of Brother Mobile Solutions and cannot be returned.
12. The claimant waives any and all claims against Brother Mobile Solutions and CyberMetrics in relation to this offer.

Questions about this offer? Please call CyberMetrics at 1-800-777-7020.
