FOR IMMEDIATE RELEASE

CyberMetrics announces SUPPLIERtrak 4.5, Supplier Quality Assurance Software

SCOTTSDALE, Arizona – March 1, 2006

CyberMetrics Corporation, a leading provider of calibration management software, supplier quality management software, and quality solutions, is proud to announce the release of SUPPLIERtrak 4.5, Supplier Quality Assurance Software. SUPPLIERtrak 4.5 allows your company to track and evaluate suppliers to improve the quality and supply of raw materials to your company. SUPPLIERtrak 4.5 is easy to use and the flexibility it provides makes it a powerful tool for analyzing supplier data in ways that will make your company more competitive.

SUPPLIERtrak 4.5 provides your company with many benefits, including:

- Identifies your best and worst performing suppliers
- Provides perpetual monitoring of supplier quality
- Eliminates the costs and errors of manually tracking suppliers
- Calculation of calibration due dates and costs
- Maintains costs of rejections, reworks, and sorting
- Quantitatively measures supplier quality
- Compliance to ISO 9000 and QS 9000
- Customizable interface
- Training, implementation and support services
- Gold+ maintenance agreement which provides for unlimited technical support and a free one version product upgrade
